AMES CORPORATION—

OWENSBORO, KENTUCKY

We own and offer for sale the complete property, including buildings, real estate, and all machinery and equipment of the Ames Corporation, located at Owensboro, Kentucky.

This property is conservatively valued at \$150,000.00 as a going concern, and includes over five acres of land, with a two story brick building, having approximately 140,000 sq. ft. of space, and including complete sprinkler system. Has complete power and lighting plant, with three dry kilns of 40,000 ft. capacity, with necessary side tracks, for L&N R.R., also adjoining the Illinois Central Railroad.

Was used for the manufacture of dining room and bed room furniture, and chairs, and is complete with all the necessary woodworking machinery, which includes over one hundred pieces of equipment, along with a large quantity of factory trucks and miscellaneous small tools.

Among the machinery are Electric Moulder—Chain Feed Glue Joint Ripsaw—Whitney Cabinet Planer—Mattison Turning Lathe—Nash No. 24 Spindle Sander—Taylor Glue Clamp Carrier—Jenkins Ball Bearing Electric Glue Jointer—Electric Routers—ball bearing motorized Variety Saw Benches—and other machines too numerous to mention.

Owensboro is a town of 31,000 population, with good labor conditions, and the Chamber of Commerce will co-operate 100% with any manufacturer taking over this property.

We own and offer it for sale complete in every detail at a price way below its real value. Here is an unusual opportunity to buy a complete furniture factory equipped and ready to start production immediately.

Write us for price and any other information desired—subject to prior sale.
